The Applicant is authorized to operate under a Class C Charter Certificate pursuant to Commission Order No. 2007-523, issued August 9, 2007.

The Applicant now seeks to amend Certificate No. 7856 by a change in the passenger restriction appearing on such Certificate.

Currently, the Applicant's authority to provide passenger service (Certificate No. 7856) reads as:

The Applicant requests to increase the passenger restriction from six (6) to fifteen (15) passengers.

Based upon review of the matters asserted in the Applicant's request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

3. An amended Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendment approved herein.

5. That this Order shall remain in full force and effect until further order of the Commission.
